## Promotional Opportunities

### [Barnsley town centre](#)

Barnsley town centre is available for booking dedicated static pitches or if you would prefer to apply for a flexible roaming permit, this will provide you with the opportunity to move around the town centre and reach a wider audience.

Our static outdoor pitches start from 4m x 4m in size and are available for most types of promotions and activities situated in and around the pedestrianised retail core of the town centre, in areas of our highest footfall.

The pedestrianised high street also hosts a street market every Monday, Tuesday, Wednesday, Friday, and Saturday.

### [Wombwell, Penistone, Hoyland, Goldthorpe, Cudworth, and Royston](#)

Wombwell hosts a street market every Tuesday, Friday and Saturday, static promotional pitches are available on the pedestrianised area of this busy high street, and are available for hire Monday to Saturday, other areas will be considered upon request.

Penistone hosts a market every Thursday and Saturday from inside an impressive oak structured barn. Promotional pitches are available inside and some areas surrounding the barn. The Barn is also available for private hire on a non-market day or evening. Other areas will be considered upon request.

Hoyland hosts an outdoor market every Tuesday and Saturday with permanent fixed stalls, when available the stalls can be hired out for promotional events and activities. Hoyland also provides an opportunity for static pitches on the new town square which sits central on the high street, pitches on the town square are available Monday to Saturday.

Goldthorpe hosts an outdoor market every Thursday on the Horse and Groom Square which sits central on the high street. The Horse Groom Square is available for static promotional events Monday to Saturday.

Cudworth and Royston do not host any street markets or have any dedicated pitches to hire, but we will consider any requests if you have seen a particular space which would be suitable to host your promotion.

Our district high streets in Wombwell, Penistone, Hoyland, Goldthorpe, Cudworth and Royston are available for bookings with our flexible roaming permits where you will have the flexibility to move around the high streets to reach your target audience.
